

ISCCW Education / Public Relations Committee

Minutes from April 30, 2013 Meeting

Members Present: Helen Hayhurst, Jeff Pytlarz, Bill Rehling, Bob Turnquist, Greg Wenzel,

Members Not Present: Will Buergey, Fred Duerkop, Margie Marrs,

Guests Present: Christine Scott, Jessica Samuelson

Bob Turnquist called the meeting to order at 9:03 AM.

Jeff Pytlarz introduced Christine Scott, new ISCCW Educator/Coordinator and Jessica Samuelson, new LVD Educator. Jeff reported that Christy Rosinski was hired at the fourth boat washer.

Minutes of the March 12, 2013 Meeting were approved by Jeff and seconded by Bill with the change to the corrected spelling of Marv Schwinn.

The 2013 Ed/Pr Budget and Projects/Task list was reviewed. Tasks are on schedule with the exception of the Educational Video completion being delayed until the end of the year due to the schedule of the editor.

Greg Wenzel volunteered to write an article describing the ongoing activities of the ISCCW. Jim Reiels will edit the document and it will be submitted to local publications.

Greg Wenzel discussed the status of the "Lake Hopper Group." Significant communication with Resort Owners, Guides, and Marinas is required before this program can proceed. It is likely that a pilot program can be started this summer but it will be 2014 before the program is fully implemented.

The document outlining the Educator/Coordinator Duties was discussed briefly but due to the absence of 2 of the 4 members of the Oversight group it was decided to hold a separate meet of that group on May 6. Oversight of the Educator/Coordinator and the LVD Educator will also be discussed at that meeting. A meeting to discuss the final Educator/Coordinator Duties and Oversight of the Educator/Coordinator and the LVD Educator will be scheduled soon after this meeting.

The next meeting is scheduled for June 11, 2013.

A motion to adjourn was made by ___who??_____ and seconded by _____who?_____. The meeting adjourned at 10:35.

Respectfully Submitted,

Bob Turnquist
Secretary pro tem
